

Fiscal Sponsorship Information
For Groups That Are Not Tax-Exempt

Historic South Downtown (HSD) funding will be awarded to organizations that are nonprofits or organizations that are fiscally sponsored by a nonprofit. Any organization that does not currently hold tax-exempt status must have a fiscal sponsor identified **prior** to submitting an application to this funding round. No organization will be funded that does not have **either** non-profit status or an existing fiscal sponsorship agreement.

Below is a list of local nonprofits who have expressed a willingness to act as fiscal sponsors. Inclusion of a resource on this list is not an endorsement by HSD nor is it a confirmation that the organizations are available to take on new fiscal partners. Groups and organizations are free to use any fiscal sponsor, whether on this list or not. HSD strongly encourages any applicant organization to contact their potential fiscal sponsor as soon as possible to determine the possibility of forming sponsorship relationships in the event of receiving a funding award under this RFP.
